Resident Referral Program

With Spring in full force and flowers popping up all over the place, Realty Works wants to remind you that we have many rental properties that are also popping up around town! If you have friends or family that need a place to rent, feel free to fill out a “Referral Form” under the “Tenant Forms” Tab and get a **\$50.00** credit on rent within 60 days of them signing a lease!!!

REALTY WORKS would like to say:

THANK YOU to all of our Residents for choosing to be a part of our wonderful community!

We appreciate your residency with us.

hello
spring!

Realty Works Residents,

It's that time of year again to do our annual unit inspections. Within the next month or so, you will be getting a letter for us to do our inspections in order to keep all of our properties in good condition. We want to take proactive measures to get ahead on maintenance issues before they even start. We appreciate you as a resident and want to thank you for your cooperation!
